## EXMOUTH

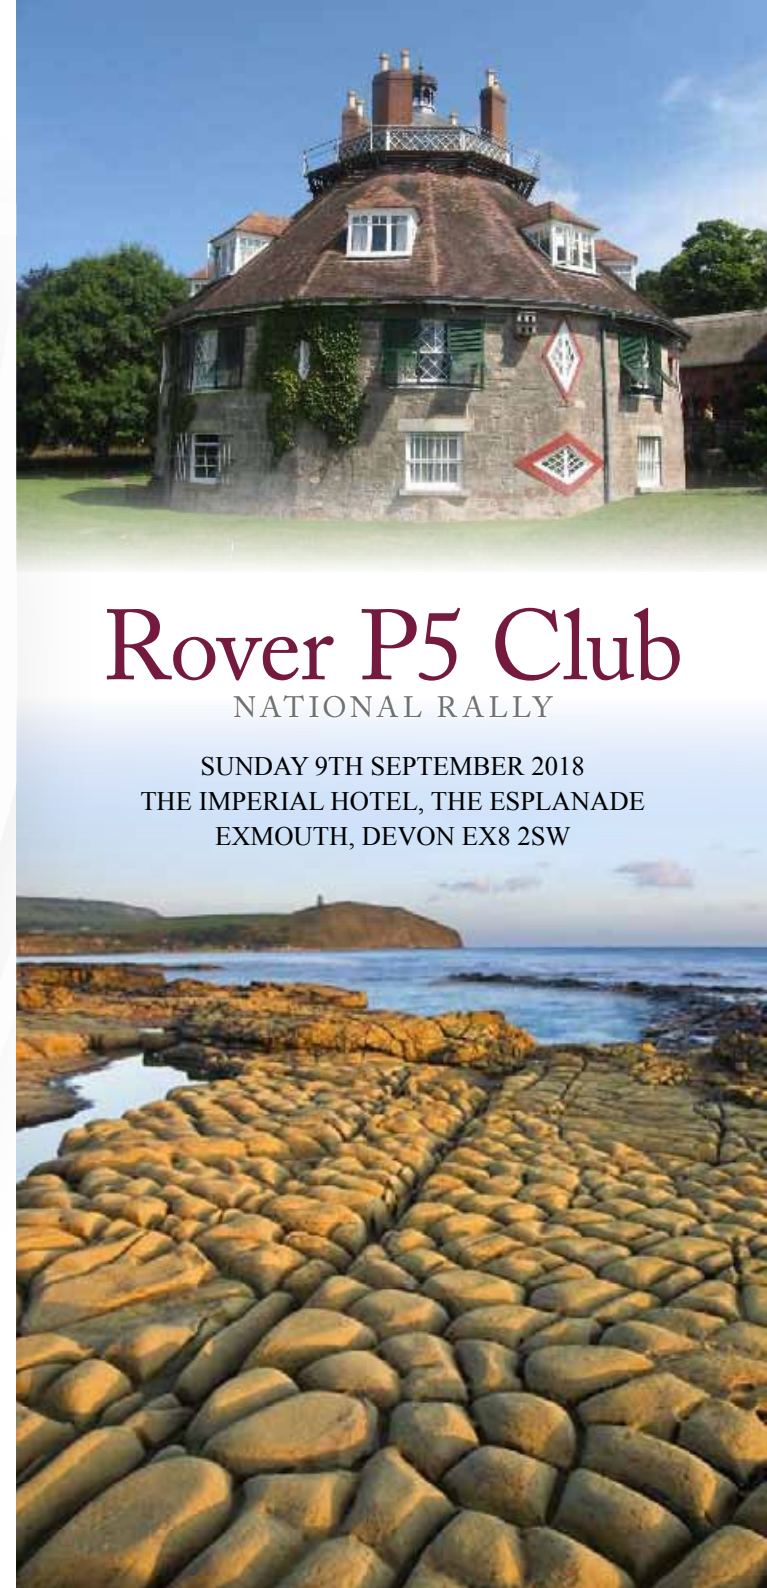

Exmouth is one of the oldest and most picturesque seaside towns in Devon. The town is the gateway to the World Heritage Jurassic Coast and has two miles of sandy beach, which is perfect for water sports and walks.

Exmouth is on the South east coast of Devon where the river Exe meets the sea. Close to Exeter, this vibrant town offers plenty of walking and cycling routes and water sports as well as local shops and restaurants to enjoy all year round.

Exmouth Beach is a beautiful sandy golden beach. This stretch of coast line dates back over 250 million years, you may even find a fossil or two as you enjoy the stunning views.

Exmouth is home to an indoor market and range of shops to be browsed and explored amongst the splendid regency architecture.

Exmouth is surrounded by the sea and the South Devon countryside so fresh local produce is in abundance. From fresh fish and chips, to celebrity chefs and fine dining Exmouth has an eclectic mix of restaurants on offer in the town and along the seafront.
