NEW

NEW

SPRING GAITERS

For both front torsion bars and rear leaf springs. Fitted with pop-studs for easy fitting and supplied with additional cable tie wraps for permanency. 90g heavy duty PVC as used in transport curtains and control barriers etc. Blue. Other colours available to order.

Rear Leaf covers **£43.00** set of four (two used each spring)

Front Torsion Bar covers **£32.00** set of two

REAR SPRING REFURBISHMENT **NEW**

Your old springs restored to their former glory - and performance. It is possible now to enjoy the comfortable ride in your P5 in it was originally designed for. We are able to have your old leaf springs brought back to life!

Don't risk 'Hot-Rod' high back end ride or suspension so hard it shakes your fillings out!

The company we use reconditions the steel in the springs to the drawings they have. They can recondition the rear springs at **£85 each +VAT** plus carriage.
